Anti-Aging Eye Makeup Remover

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Anti-Aging Eye Makeup Remover is an oil free, tear free eye makeup remover for mascara, eyeliner and eyeshadow. The first anti-aging eye area cleanser with peptides, growth factors and Algae extract to help diminish under eye puffiness, decrease dark circles and reduce the appearance of fine lines and wrinkles. Safe to use on natural lashes as well as artificial lashes and extensions. pH balanced and fragrance free. Safe for contact lens wearers.

DIRECTIONS

Apply eye makeup remover to cotton ball or cosmetic pad. Gently wipe across eyelashes several times to remove mascara, eyeliner and eyeshadow. Oil free formula is safe for use with eyelash extensions.

INGREDIENTS

Water/Aqua, Propanediol, Sodium Laurylglucosides Hydroxypropylsulfonate, Sodium Methyl Cocoyl Taurate, Cocamidopropyl Hydroxysultaine, Sodium Bis-Hydroxyethylglycinate Coco-Glucosides Crosspolymer, Sodium Stearoyl Lactylate, Glycerin, Stem Cell Conditioned Media, Cucumis Sativus (Cucumber) Fruit Extract, Allantoin, Panthenol (Pro-Vitamin B5), Palmitoyl Tripeptide-5, Sodium Hyaluronate, Algae (Dunaliella Salina) Extract, Caprylyl Glycol, Ethylhexylglycerin.

Anti-Aging Facial Cleanser

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Facial Cleanser, featuring Duo Fusion Stem Cell Technology is a refreshing, dynamic blend of ingredients that not only cleanse, but helps moisturize, nourish and deliver powerful anti-oxidants to the skin. Ingredients help stimulate growth factors and play an important role in boosting the synthesis of collagen, elastin, and hyaluronic acid that assist in improving firmness of skin. This unique combination of ingredients also helps improve absorption of nutrients to the epidermis to optimize skin repair and smoothness.

- Tear free and Non-Irritating
- Non-Drying
- Removes Makeup
- Sulfate Free
- Balancing
- DEA Free

DIRECTIONS

Apply two pumps Facial Cleanser to face, throat and décolletage. Massage in upward, circular motions creating a gentle foam. Rinse thoroughly with lukewarm water. Follow immediately with normal skin care and beauty routine.

INGREDIENTS

Deionized Water, Aloe Barbadensis (Aloe Vera) Leaf Juice (Certified Organic), Cocamidopropyl Betaine, Sodium Lauryl Glycinate, Chondrus Crispus Extract, Sodium Hyaluonate, Glycerin, Stem Cell Conditioned Media, Camellia Sinensis (Green Tea) Leaf Extract, Polygonum Aviculare (Knotgrass) Extract, Caprooyl-Tetrapeptide-3, Hyaluronic Acid, Lactic Acid (Beta Hydroxy Acid), Panthenol (Pro-Vitamin B5), Biofermentation Olioepptide, Citrus Grandis (Grapefruit) Peel Oil, Hydroxyethylcellulose, Phenoxyethanol, Ethylhexylglycerin.

Anti-Aging Facial Serum

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Anti-Aging Facial Serum, featuring our own Duo Fusion Human Stem Cell Based Technology, is a nourishing blend of the world's leading anti-aging ingredients and Peptides that help protect your skin from oxidative stress, moisturizes and nourishes your own stem cells for more healthy and radiant looking skin. Use daily for optimal results.

- Minimizes the appearance of fine lines and wrinkles
- Helps improve skin elasticity
- Assists in production of collagen and elastin, helps stimulate repair and renewal mechanisms of the skin
- Nourishes the skin's own stem cells
- Special ingredients work synergistically with human growth factors for improved results

DIRECTIONS

Following cleansing, apply to face, neck and décolletage in upward motion while skin is still moist. Continue with regular beauty routine.

INGREDIENTS

Deionized Water, Stem Cell Conditioned Media, Maltodextrin (and) Swertia, Chirata Extract Glycerin, Propanediol, Hexapeptide-33, Panthenol (Pro-Vitamin B5), Hydroxyethylcellulose, Lactic Acid, Phenoxyethanol, Ethylhexylglycerin, Natural Fragrance.

Anti-Aging Eye Serum

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Eye Serum is specially formulated with our Duo Fusion Human Stem Cell-Based Technology with potent Peptides and anti-oxidants that help reduce dark circles, puffiness, and helps to reduce the appearance of crows feet and the delicate skin around the eye area for more radiant, youthful-looking eyes.

- Minimizes the appearance of fine lines and wrinkles
- Helps improve skin elasticity
- Assists in collagen production, helps stimulate repair and renewal mechanisms of the skin
- Helps eliminate dark circles

DIRECTIONS

Apply one pump of Eye Serum to clean finger and dab onto the eye area. Pat in gently under and around the eye area. Allow to dry and then follow your normal beauty routine. For best results, use morning and evening.

INGREDIENTS

Deionized Water, Stem Cell Conditioned Media, Propanediol, Glycerin, Propyl Gallate, Gallyl Glucoside, Epigallocatechin Gallatyl Glucoside, Acetyl Hexapeptide-8, Phenoxyethanol, Ethylhexylglycerin.

Anti-Aging Facial Moisturizer

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Anti-Aging Facial Moisturizer, featuring Duo Fusion Human Stem Cell-Based Technology, is a truly unique blend of the world's finest ingredients. This powerful formula works synergistically with the stem cell growth factors, potent Peptides and anti-oxidants that help brighten, increase moisture retention, prevent senile degradation of micro-blood vessels in the skin, and helps reduce the appearance of fine lines and wrinkles. Skin becomes more nourished and supple, for a more youthful and healthy appearance.

DIRECTIONS

Apply one to two pumps of moisturizer to freshly cleansed skin. Massage into face, throat and décolleté using upward strokes. Allow to absorb completely and then follow your normal skin care beauty routine.

INGREDIENTS

Deionized Water, Stem Cell Conditioned Media, Carthamus Tinctorius (Safflower) Oleosomes, Tremella Fuciformis Sporocarp (Mushroom) Extract (and), Betaine, Propanediol, Glycerin, Sodium Acrylates Copolymer (and) Lecithin, Hexapeptide-33, Hyaluronic Acid, Panthenol (Pro-Vitamin B5), Swertia Chirata Extract (and) Maltodextrin, Tocopheryl Acetate (Vitamin E Acetate), Tetrahexyldecyl Ascorbate (Vitamin C Ester), Phenoxyethanol, Ethylhexylglycerin, Natural Fragrance.

SPF 30+ Day Moisturizer

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® SPF 30+ Day Moisturizer is a lightweight daily SPF that nourishes and protects skin from the harmful effects of UVA, UVB rays, and other harmful effects of the environmental conditions. Ideal for wear under make-up.

- Broad Spectrum
- Water Resistant
- Anti-Pollution

DIRECTIONS

Apply two to three pumps to moisturizer to freshly cleansed skin. Allow to completely absorb into skin before applying any other skin care or beauty products. This product is intended for daily use, not beach or sports activities.

Caution: Avoid direct contact with eyes. For adult use only, keep out of reach of children.

INGREDIENTS

ACTIVE INGREDIENTS:

Octylmethoxy Cinnamate, Avobenzone.

INACTIVE INGREDIENTS:

Deionized Water, Carthamus Tinctorius (Safflower) Oleosomes, Stem Cell Conditioned Media, Dimethicone, C12-15 Alkyl Benzoate, Glycerin, Butylene Glycol (and) Alteromonas Ferment Filtrate, Styrene/Acrylates Copolymer, Oryza Sativa (Rice) Bran Extract (and) Rosmarinus, Officinalis (Rosemary) Leaf Extract (and) Helianthus Annus, (Sunflower) Seed Oil (and) Tocopherol, Tetrahexyldecyl Ascorbate (Vitamin C Ester), Hydrolyzed Jojoba Esters, Lycium Barbarum (Goji) Berry Extract (and) Mangostana, Garcinia (Mangosteen) Fruit Extract (And) Euterpe Oleracea, (Acai) Berry Extract (and) Morinda Citrifolia (Noni), FruitExtract, Tocopheryl Acetate (Vitamin E Acetate), Sodium Acrylates Polymer (and) Lecithin, Nylon 6/12, Cyclopentasiloxane, Phenoxyethanol (and) Ethylhexylglycerin, Xanthan Gum, Natural Fragrance.

Anti-Aging Hydrating Mist

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Hydrating Mist is a light hydrating spray featuring Duo Fusion Human Stem Cell Based Technology. This refreshing and soothing Hydrating Mist contains Hyaluronic Acid, potent Peptides and natural fragrances that help brighten, moisturize, and assists in stimulating the repair and renewal mechanisms of the skin.

DIRECTIONS

Spray mist face, neck and décolletage throughout the day as needed. Can be used before applying serums and moisturizers as a carrier to extend your skin care products. May also use to set makeup. This refreshing and rejuvenating formula is ideal as the final step for facial treatments.

INGREDIENTS

Deionized Water, Stem Cell Conditioned Media, Hyaluronic Acid, Propanediol, Glycerin, Panthenol, Sodium PCA, Citrus Limon (Lemon) Peel Oil, Citrus Aurantifolia (Lime) Peel Oil, Carpylyl/Capryl Glycoside, Polyglyceryl-5 Oleate, Sodium Cocoyl Glutamate, Glyceryl Caparylate, Citric Acid, Phenoxyethanol, Ethylhexylglycerin.

Re-Cu-perate

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

Re-Cu-perate an intensive formula that is specially formulated with DUO FUSION Stem Cell Technology and copper peptides which are known for the skin recovery process. Ideal for Pre and Post treatment of chemical peels, laser therapy, micro-needling, and can assist in the recovery of most skin conditions, including burns, stretch marks. Helps to reduce inflammation and scar formation.

DIRECTIONS

Apply serum to skin following protocols such as micro needling, laser treatments and peels. When applying serum to broken skin, use minimal pressure to form a thin layer and allow product to absorb completely. If irritation occurs, discontinue use.

INGREDIENTS

Stem Cell Conditioned Media, Deionized Water, Hyaluronic Acid, Methylglucoside Phosphate, Copper Lysinate/Prolinate (Neodermyl), Phenoxyethanol, Ethylhexylglycerin.

Line Filling & Erasing Serum

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Line Filling & Erasing Serum, featuring Duo Fusion Stem Cell Technology is specially formulated to nourish and restore the skin, and target the wrinkles and sagging skin in the jowl area, nasal-labial folds (marionette lines), and around the eye area. Line Filling & Erasing Serum helps to plump and restore the health of the skin and helps rebuild the extracellular matrix to prevent the loss of the volume around the eyes and face, and improve firmness and elasticity.

DIRECTIONS

Apply two pumps of serum to deep lines and wrinkles, expression lines and sagging jowls. Massage in until completely absorbed. Use daily for best results. Follow with your normal skin care or beauty routine.

INGREDIENTS

Deionized Water, Glycerin, Propanediol, Swertia Chirata Extract, Ornithine, Phospholipids, Glycolipids, Trifluoroacetyl Tripeptide-2, Caprylyl/Capryl Glycoside, Polyglyceryl-5 Oleate, Sodium Cocoyl Glutamate, Glyceryl Caparylate, Dextran, Maltodextrin, Hydroxyethylcellulose, Natural Fragrance, Phenoxyethanol, Ethylhexylglycerin, Citric Acid.

Smoothing Treatment Capsules

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

A concentrated smoothing serum to help inhibit muscle contractions to relax facial expression lines and wrinkles. These capsules contain 10% Argireline® to help reveal a more youthful looking appearance.

DIRECTIONS

Twist off the end of the capsule and squeeze out half of the capsule's contents onto the tip of your finger. Pat the serum around the eye area and fine lines and wrinkles. Allow to absorb completely before applying other skin care products or cosmetics. The remaining serum should be used in the evening for best results.

Caution: For external use only. Avoid getting product directly in your eye.

INGREDIENTS

Cyclopentasiloxane, Dimethicone Crosspolymer, Ethylhexyl, Cocoate, C24-28 Alkyl Methicone, Lecithin, Glycolipids, Water, Acetyl Hexapeptide-3 (Argireline®)

8-in-1 Eye Renew

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® 8-in-1 Eye Renew with Human Stem Cell Extract is the ultimate eye restoration treatment to help minimize fine lines and wrinkles, reduce under-eye and eyelid puffiness and minimize dark circles. This dense cream fights the signs of aging with targeted peptides, botanical extracts of cucumber and licorice root to help firm, lift, brighten and smooth the eye area. Soft focus and line blurring agents provide an immediate effect and Argireline helps relax muscle contractions that lead to permanent wrinkles.

8-IN-1 BENEFITS

- Moisturizing
- Smoothing
- Anti-Wrinkle
- Anti-Puffiness
- Brightening
- Soft Focus
- Anti-Dark Circles
- Instant "freezing" Effect (Cosmetic Botox Argireline)

DIRECTIONS

Apply cream completely around the eye area and gently pat in until absorbed.

INGREDIENTS

Deionized Water, Aloe Barbadensis (Aloe Vera) Leaf Extract (Organic), Acetyl Hexapeptide-3, Cetearyl Alcohol, Cetearyl Oliviate (and) Sorbitan Oliviate, Polysilicone-11 (and) Water (and) Laureth-12, Glycerin, Cera Alba (Beeswax), Cetyl Palmitate (and) Sorbitan Palmitate (and) Sorbitan Oliviate, Glycerin (and) Water (and) Dextran (and) Trifluoroacetyl Tripeptide-2, Dextran (and) Caprooyl-Tetrapeptide-3 (and), Capric/ Caprylic Triglycerides, Montmorillonite, Cucumis Sativus (Cucumber) Fruit Extract, Hydrolyzed Rice Protein (and) Water (and) Prunus Amgdalus Dulcis (Sweet Almond) Seed Extract, Butyrospermum Parkii (Shea) Butter, Glycyrrhiza Glabra (Licorice) Root Extract, Panthenol, Palmitoyl Tripeptide-5 (and) Panthenol (and) Sodium Hyaluronate, Conditioned Stem Cell Media, Xanthan Gum, Phenoxyethanol (and) Ethylhexylglycerin.

Brightening Serum

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Anti-Aging Brightening Serum, featuring Duo Fusion Human Stem Cell-Based Technology, is specially formulated with a blend of the world's finest ingredients known for brightening and evening out skin tone. This powerful formula works synergistically with the stem cell growth factors, potent Peptides and anti-oxidants by blocking the melanogenesis process at multiple levels, and protects skin from inflammation to help improve photoaging marks and hyperpigmentation for a more even complexion. Helps minimize fine lines, wrinkles, dark circles, sagging and improves radiance. Visible results can be seen after 28 days with long lasting results after 3 months.

DIRECTIONS

Apply two pumps to freshly cleansed skin. Massage in until completely absorbed. Use daily for best results. Follow with KERACELL® SPF 30+.

INGREDIENTS

Deionized Water, Human Stem Conditioned Media, Chondrus Crispus Extract (and) Sodium Hyalurate, Glycerin, Propanediol, Palmaria Palmata Extract, Water (and) Glycerin (and) Diglucosyl Gallic Acid, Water (and) Butylene Glycol (and) Hydrogenated Lecithin (and) Sodium Oleate (and) Oligopeptide-68 (and) Disodium, EDTA, Sodium Phytate (and) Glycerin (and) Morus Alba Fruit Extract, Dipotassium Glycyrrhizate Sodium Acrylates Copolymer (and) Lecithin, Phenoxyethanol, Ethylhexylglycerin, Natural Fragrance.

Vitamin C Serum

PRODUCT DESCRIPTION

KERACELL® Double C Serum is a highly concentrated anti-aging treatment to help brighten, firm and smooth the complexion. This advanced formula with stabilized Vitamin C and orange micro-beads of Vitamin C helps to even and clarify skin tone, boost collagen and elastin production and diminish age spots and freckles. Vitamins A & E and Indian Gentian Leaf Extract (SWT-7) help to reduce the appearance of fine lines and wrinkles, moisturize and resurface the skin.

DIRECTIONS

Apply one or two pumps of serum mornings and evenings to freshly cleansed skin. Smooth a thin layer evenly over face, throat and décolleté. This matte and lightweight serum may be worn under makeup as a primer. Use daily for best results.

INGREDIENTS

Deionized Water, Glycerin, Propanediol, Swertia Chirata Extract, Ornithine, Phospholipids, Glycolipids, Trifluoroacetyl Tripeptide-2, Caprylyl/Capryl Glycoside, Polyglyceryl-5 Oleate, Sodium Cocoyl Glutamate, Glyceryl Caparylate, Dextran, Maltodextrin, Hydroxyethylcellulose, Natural Fragrance, Phenoxyethanol, Ethylhexylglycerin, Citric Acid.

Rejuvenating Rich Moisture Cream

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

For dry and Mature Skin. Going beyond the benefits of the human growth factor, we formulated this Luxurious Rejuvenating Moisturizer with the world's most innovative ingredients, one of which is called REVINAGE. Revinage is a plant based "natural" alternative for Retinol and/or Retinyl Palmiitate for improved cell turnover. Non phototoxic (like retinol) and is plant-derived, making it a much more natural alternative

DIRECTIONS

Apply to freshly cleansed skin. Apply a dime-sized amount of cream to face, throat and décolleté. Massage in until completely absorbed. Follow with your normal skin care or beauty routine.

INGREDIENTS

Deionized Water, Human Stem Cell Conditioned Media, Glycerin, Propanediol (Vegetable Source), Oryza Sativa (Rice) Bran Extract, Polyglyceryl-2 Stearate, Cetearyl Alcohol, Bidens Pilosa Extract (and) Elaeis Guineensis (Palm) Oil (and) Gossypium Herbaceum, (Cotton) Seed Oil (and) Linum Usitatissimum (Linseed) Oil, Hydrogenated Ethylhexyl Oliviate (and) Hydrogenated Olive Oil Unsaponifiables, Sclerocarya Birrea (Marula) Nut Oil, Capric/Caprylic Triglycerides (and) Linoleum Acid (and) Glycine Soja (Soybean) Sterols (and) Phospholipids, Squalane, Glycyrrhiza Glabra (Licorice) Root Extract, Stearyl Glycyrhethinate, Cetearyl Phosphate, Phytic Acid, Tocopheryl Acetate (Vitamin E Acetate), Xanthan Gum, Phenoxyethanol (and) Ethylhexylglycerin, Lavandula Officinalis (Lavender) Flower Oil, Citrus Aurantium Dulcis (Sweet Orange) Peel Oil.

V-Shape Neck & Décolleté Cream

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® V-Shape Neck & Décolleté Cream with Human Stem Cell Extract is a slimming and toning treatment to help lift and shape the neck and jawline. A moisturizing cream with two brightening agents to help minimize discoloration on the neck and chest area due to sun exposure. Anti-aging peptides, vitamin E, rice and almond protein help to firm and lift the neck and throat area for a smoother, younger looking appearance. Specialized botanical extracts and caffeine help to reduce fat deposits to minimize jowls and double chin to improve facial contour for the desirable chin/cheek angle, or what is known as the "V-Shape".

DIRECTIONS

Apply cream to freshly cleansed skin. Using upward strokes, massage into throat and décolleté area until completely absorbed.

INGREDIENTS

Deionized Water, Capric/Caprylic Triglycerides, Stem Cell Conditioned Media, Hydrolyzed Rice Protein (and) Water (and) Prunus Amygdalus Dulcis (Sweet Almond) Seed Extract, Sodium Acrylate/Sodium Acryloyl Dimethyl Taurate Copolymer (and) Cetyl Alcohol (and) Glycol Stearate Glyceryl Stearate Caprylic/Capric Triglycerides, Glycerin (vegetable derived), Propanediol (corn sugar derived), Butylene Glycol (and) Pentylene Glycol (and) Sodium Chloride (and) Hydrolyzed Rhodophyceae Extract (and) Xanthan Gum, Canola Oil (and) Silica (and) Zea Mays (Corn) Starch, Dimethicone, Palmaria Palmata (Sea Lettuce) Extract, Dextran (and) Palmitoyl Tripeptide-8, Plankton Extract, Aloe Barbadensis (Aloe Vera) Leaf Extract (and) Ascorbyl Methylsilanol Pectinate (and) Phytic Acid, Tocopheryl Acetate (Vitamin E), Phenoxyethanol (and) Ethylhexylglycerin, Xanthan Gum, Natural Fragrance.

Pore Clearing Cleanser

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Pore Clearing Cleanser is a sulfate free, tear free cleansing gel that features award winning Miniporyl™ a standardized Red Clover Flower Extract that decreases sebum production and helps minimize the appearance of conspicuous pores. Exo-PTM, a unique exopolysaccharide from Kopara, helps to protect against urban pollution and smog purifying dry, dull and tired looking skin. Glycerin and Panthenol help to re-balance moisture in acne prone skin. Pink Grapefruit essential oil is naturally antimicrobial and revitalizes the complexion.

DIRECTIONS

Apply a small amount of cleanser to face and neck. Massage in upward, circular motions to create a gentle foam. Rinse thoroughly with lukewarm water and pat face dry. Follow with KeraCell® Pore Refining Moisturizer and your normal beauty routine.

INGREDIENTS

ACTIVE INGREDIENTS:

Salicylic Acid

Water/Aqua, Sodium Lauroyl Methyl Isethionate, Cocamidopropyl Betaine, Sodium Methyl Oleoyl Taurate, Lauryl Glucoside, Coco-Glucoside, Cocamidopropyl Hydroxysultaine, Glycol Distearate, Laureth-4, Cocamidopropyl Betaine, Cocamidopropyl Dimethylamine, Sodium Cocoyl Glycinate, Isopentyl diol, Trifolium Pratense (Clover) Flower Extract, Glycerin, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Panthenol (Pro-Vitamin B5), Butylene Glycol, Alteromonas Ferment Filtrate, Citrus Grandis (Pink Grapefruit) Essential Oil.

Pore Minimizing Astringent

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Pore Minimizing Astringent is an alcohol free toner that features award-winning Miniporyl™ a standardized Red Clover Flower Extract that decreases sebum production and helps minimize the appearance of conspicuous pores. Witch Hazel naturally helps to detoxify impurities while Glycerin and Panthenol help to re-balance moisture in acne prone skin. Tea Tree, Eucalyptus and Peppermint essential oils have natural antimicrobial

DIRECTIONS

After cleansing skin, apply Pore Minimizing Astringent to a cotton ball or cosmetic pad. Wipe product across the face and throat in upward, sweeping motions. Follow with your normal moisturizing and beauty routine

INGREDIENTS

ACTIVE INGREDIENTS:

Salicylic Acid

Deionized Water, Human Stem Conditioned Media, Hamamelis virginiana (Witch Hazel) Bark/Leaf/Twig Extract, Glycerin, Propanediol, Cocamidopropyl Dimethylamine, Isopentyldiol and) Trifolium Pratense (Clover) Flower Extract (Pro-Vitamin B5), Ethylhexylglycerin, Caprylyl Glycol, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Mentha Piperita (Peppermint) Leaf Oil, Eucalyptus Globulus (Eucalyptus) Leaf Oil.

Pore Refining Moisturizer

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Pore Refining Moisturizer is an oil free, hydrating emulsion that features award winning Miniporyl™ a standardized Red Clover Flower Extract that decreases sebum production and helps minimize the appearance of conspicuous pores. Exo-PTM, a unique exopolysaccharide from Kopara, helps shield against urban pollution and smog restoring dry, dull and tired looking skin and prevents irritation and premature aging. Skin appears more luminous and healthy looking in just 7 days.

*Lucas Meyer Cosmetics Miniporyl™ received the 2016 In-Cosmetics Global Silver Award for Best Ingredient.

*Lucas Meyer Cosmetics Exo-PTM received the 2015 In-Cosmetics Global Gold Award for Best Ingredient.

DIRECTIONS

After washing face with KeraCell® Pore Clearing Cleanser, pat skin dry. Apply moisturizer to skin in upward, circular motions. Allow to absorb completely, then follow with your normal skin care and beauty routine.

INGREDIENTS

Water/Aqua, Carthamus Tinctorius (Safflower) Oleosomes, Human Stem Conditioned Media, Propanediol, Chondrus Crispus Extract, Sodium Hyaluronate, Tremella Fuciformis Sporocarp Extract, Betaine, Glycerin, Isopentyldiol, Trifolium Pratense (Clover) Flower Extract, Epilobium Angustifolium (Rosebay) Flower/Leaf/Stem Extract, Acrylates Copolymer, Lecithin, Butylene Glycol, Alteromonas Ferment Filtrate, Cyclopentasiloxane, Polyamide-5, Panthenol (Pro-Vitamin B5), Tetrahexadecyl Ascorbate (Vitamin C Ester), Tocopheryl Acetate (Vitamin E Acetate), Caprylyl Glycol, Ethylhexylglycerin, Natural Fragrance.

Hair & Scalp Revitalizing Spray

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Hair & Scalp Revitalizing Spray targets hair loss, scalp and follicle regeneration for both Men and Women. This innovative formula contains Human Stem Cell Growth Factors, Redensyl and Capixyl, along with some of the most leading-edge ingredients in the industry. The combination of these proven technologies, peptides and ingredients help nourish the scalp and follicles, reduces inflammation, and helps modulate DHT for clinically proven results.

TARGET

- Anti-hair loss for Men & Women
- Hair re-generation for Men & Women
- Seasonal hair loss
- Oncology

BENEFITS

- Stem Cell growth factors nourish and regenerate scalp and follicles
- Helps prevent and stop hair loss process and stimulate hair growth by increasing the Anagen/Telogen ratio
- Helps modulate DHT, improves hair anchoring and reduces inflammation in the scalp
- Provides antioxidants, limiting free radical damage to the skin and scalp
- Helps increase the size of hair follicle for better hair number and vitality

DIRECTIONS

Apply product directly to the scalp onto areas of thinning hair. Depending on the size of the area to be treated, use 2-4 pump sprays. Gently massage into scalp and allow to dry. Product can be applied while hair is damp or dry hair. For best results, use twice daily.

INGREDIENTS

Deionized Water, Human Stem Cell Conditioned Media, Acetyl Tetrapeptide-3, Trifolium pratense (Clover) Flower Extract, Propanediol, Glycerin, Arginine, Lactic Acid, Glycine Soja (Soybean) Germ Extract, Triticum Vulgare (Wheat) Germ Extract, Scutellaria Baicalensis Root Extract, Glycine, Larix Europaea Wood Extract, Zinc Chloride, Camellia Sinensis (Green Tea) Leaf Extract, Panthenol (Pro-Vitamin B5), Hydrolyzed Kale Protein, Hydrolyzed Carrot Protein, Hydrolyzed Lemon Protein, Hydrolyzed Quinoa Protein, Polyglyceryl-5 Oleate, Mentha Piperita (Peppermint) Leaf Oil, Menthol, Phenoxyethanol, Ethylhexylglycerin.

Invigorating Shampoo

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Invigorating Shampoo gently cleanses the scalp and hair while restoring and maintaining the proper moisture balance. Human Stem Cell Extract, Peptides, and Red Clover and Baikal Skullcap help to stimulate keratinocytes for renewed hair growth. A unique blend of Quinoa, Kale, Carrot and Lemon proteins, amino acids and Soy Germ Extract also help to strengthen and condition new hair as it grows.

For all hair types

DIRECTIONS

Wet scalp and hair with warm water. Apply a dime-sized amount of shampoo to the top of your head and massage gently into a foam. Use the foam created on your scalp to wash the remainder of your hair. Leave shampoo on the scalp for one to two minutes, then rinse with lukewarm water. Follow with KERACELL® Fortifying Conditioner and Leave-In Strengthening Spray then style hair as usual.

INGREDIENTS

Deionized Water, Sodium Lauroyl Methyl Isethionate (and) Cocamidopropyl Betaine (and) Sodium Cocoyl Isethionate (and) Sodium Methyl Oleoyl Taurate, Polyquaternium-7 (and) Sericin (and) Guar Hydroxypropyltrimonium Chloride (and) Cetrimonium Chloride (and) Behentrimonium Chloride, Cocamidopropyl Hydroxysultaine, Sodium Cocoyl Glutamate, Glycerin, Propanediol, Hydrolyzed Jojoba Esters (and) Jojoba Esters, Stem Cell Conditioned Media, Amodimethicone, Arginine (and) Lactic Acid (and) Glycine Soja (Soybean) Germ Extract (and) Triticum Vulgare (Wheat) Germ Extract (and) Sculletaria Baicalensis, Root Extract, Urea (and) Saccharide Hydrolysate (and) Magnesium Aspartate (and) Glycine (and) Alanine (and) Creatine, Hydrolyzed Quinoa Protein, Hydrolyzed Kale Protein, Hydrolyzed Lemon Protein, Hydrolyzed Carrot Protein, Panthenol (Pro-Vitamin B5), Phenoxyethanol, Ethylhexylglycerin, Mentha Piperita (Peppermint) Leaf Oil, Menthol, Eucalyptus Globulus (Eucalyptus) Leaf Oil, Rosmarinus Officinalis Rosemary Leaf Oil, Melaleuca Alternifolia (Tea Tree) Leaf Oil.

Fortifying Conditioner

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Fortifying Conditioner was designed to compliment our Invigorating Shampoo. This conditioning and detangling formula is scented with natural peppermint essential oil, tea tree oil, and contains a blend of quinoa, carrot, kale and lemon proteins to help seal the cuticle and add shine for more luxurious, healthy-shiny hair. Ideal for fine and thinning hair, and will not weigh hair down.

For all hair types

DIRECTIONS

After shampooing with KERACELL® Invigorating Shampoo, apply conditioner to the length of your hair, concentrating on the ends. Leave conditioner on the hair for one to two minutes, then rinse with lukewarm water. Towel dry hair and follow with KERACELL® Leave-In Strengthening Spray and style hair as usual.

INGREDIENTS

Deionized Water, Cetearyl Alcohol (and) Behentrimonium Chloride (and) Polyquaternium-37, Polyquaternium-7 (and) Sericin (and) Guar Hydroxypropyltrimonium Chloride (and) Cetrimonium, Chloride (and) Behentrimonium Chloride, Triethylsiloxamodimethicone (and) C11-15 Pareth-7 (and) C12-16 Pareth-9 (and) Glycerin (and) Trideceth-12, Glycerin, Propanediol, Hydrolyzed Jojoba Esters (and) Jojoba Esters, Stem Cell Conditioned Media, Arginine (and) Lactic Acid (and) Glycine Soja (Soybean) Germ Extract (and) Triticum Vulgare (Wheat) Germ Extract (and) Sculletaria Baicalensis Root Extract, Urea (and) Saccharide Hydrolysate (and) Magnesium Aspartate (and) Glycine (and) Alanine (and) Creatine, Panthenol (Pro-Vitamin B5), Hydrolyzed Quinoa Protein, Hydrolyzed Kale Protein, Hydrolyzed Carrot Protein, Hydrolyzed Lemon Protein, Phenoxyethanol, Phytic Acid, Ethylhexylglycerin, Eucalyptus Globulus (Eucalyptus) Leaf Oil, Mentha Piperita (Peppermint) Leaf Oil, Menthol, Melaleuca Alternifolia (Tea Tree) Leaf Oil, Rosmarinus Officinalis (Rosemary) Leaf Oil.

Hair Strengthening Spray

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Hair Strengthening Spray is a lightweight detangling, conditioning and moisturizing spray. With Human Stem Cell Extract, botanicals, Pro-Vitamin B5, minerals and Amino Acids, this remarkable product helps to strengthen and reinforce delicate, fine and thinning hair. A unique blend of Quinoa, Kale, Carrot and Lemon proteins help to seal hair's cuticle for added shine and durability. This spray may be used on freshly washed hair or dry hair.

For all hair types

DIRECTIONS

Starting at the top of your head, apply four to five pump sprays to the entire length of your hair. If you have damaged hair or split ends, concentrate some extra product onto the problem areas. Always begin combing your hair from the bottom to the top of your head, gently working out tangles without breaking hair. Allow hair to dry, then style hair as usual.

INGREDIENTS

Deionized Water, Glycerin, Propanediol, Triethylsiloxyamodimethicone (and) C11-15 Pareth-7 (and) C12-16 Pareth-9 (and) Glycerin (and) Trideceth-12, Hydrolyzed Jojoba Esters (and) Jojoba Esters, Arginine (and) Lactic Acid (and) Glycine Soja (Soybean), Germ Extract (and) Triticum Vulgare (Wheat) Germ Extract, (and) Sculletaria Baicalensis Root Extract, Urea (and) Saccharide Hydrolysate (and) Magnesium, Aspartate (and) Glycine (and) Alanine (and) Creatine Stem Cell Conditioned Media, Hydrolyzed Quinoa Protein, Hydrolyzed Kale Protein, Hydrolyzed Lemon Protein, Hydrolyzed Carrot Protein, Copper Gluconate, Panthenol (Pro-Vitamin B5), Witch Hazel Distillate, Phenoxyethanol, Ethylhexylglycerin, Mentha Piperita (Peppermint) Leaf Oil, Menthol, Eucalyptus Globulus (Eucalyptus) Leaf Oil, Rosmarinus Officinalis (Rosemary) Leaf Oil, Melaleuca Alternifolia (Tea Tree) Leaf Oil.

Hair & Scalp Revitalizing System INSTRUCTIONS

KERACELL® Stem Cell-Based Revitalizing Hair & Scalp System for Men & Women is a complete system designed to cleanse and nourish the scalp, hair and provide the optimal conditions necessary for hair follicle regeneration.

APPLICATION INSTRUCTIONS

1. Wet hair and scalp with warm water. Apply a small amount of **KERACELL® Invigorating Shampoo** to palm of hand and apply to top of head, and massage gently into a foam. Use the foam created on the scalp to wash the remainder of hair. Leave shampoo on the scalp and hair for one to two minutes, then rinse with lukewarm water.
2. Immediately after shampooing, apply **KERACELL® Fortifying Conditioner** to the length of your hair, concentrating on the ends. Leave conditioner on the hair for one to two minutes, then rinse with lukewarm water. Towel Dry.
3. Apply **KERACELL® Hair Strengthening Spray** Starting at the top of the head. Apply four to five pump sprays to the entire length of hair. If you have damaged hair or split ends, concentrate some extra product onto the problem areas. Always begin combing hair from the bottom to the top of the head, gently working out tangles without breaking hair.
4. Apply **KERACELL® Revitalizing Hair & Scalp Spray** directly to the scalp onto areas of thinning hair. Depending on the size of the area to be treated, use 3-4 pump sprays. Gently massage formula into scalp and allow to dry. Product can be applied while hair is damp or dry. For best results, use twice daily until gone. Formula will last longer for individuals who are spot treating thinning areas only.
5. Style hair as usual. Repeat 1-2 times daily until formula is gone. It is not necessary to shampoo hair daily as this will strip the hair of essential natural oils that keep hair and scalp healthy. On days when not shampooing or when hair is dry, part the hair in thinning areas and spray **KERACELL® Revitalizing Hair & Scalp Spray** directly onto the scalp in areas where the hair is thinning. Massage into scalp and style as usual.

The **KERACELL® Hair & Scalp Revitalizing Spray and System** addresses scalp health and vitality with the inclusion of Human Stem Cell Extract and targeted peptides for stimulating keratinocytes (the cells that produce keratin). Clients will not notice rapid hair loss when they stop using the product like someone may experience with Minoxidil. However, for best results, maintenance program of 3-4 times per year is recommended.

Stimulating Scalp Spot Treatment

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Stimulating Scalp Spot Treatment targets hair loss, scalp and follicle regeneration is for both men and women. This innovative formula contains Human Stem Cell Extract with proteins, peptides and growth factors with a known signaling effect on keratinocytes. This easy-to-use targeted solution for bald spots and receding hair line, also contains Capixyl™, Redensyl® and Baicapil™, some of the world's most remarkable anti-hair loss ingredients. This combination of clinically tested ingredients helps to nourish and condition the scalp, coax hair follicles out of the dormant phase, reduce inflammation and helps block DHT to reduce hormone related hair loss.

DIRECTIONS

Apply two to three pumps of treatment gel to damp or dry scalp. Massage into scalp in circular motions, concentrating product on bald spots. Allow to dry then, follow with your normal hair styling routine. For best results, use twice daily.

INGREDIENTS

Deionized Water, Conditioned Stem Cell Media, Butylene Glycol, Dextran, Acetyl Tetrapeptide-3, Trifolium Pratense (Clover) Flower Extract, Glycerin, Sodium Metabisulfite, Glycine, Larix Europaea Wood Extract, Zinc Chloride, Camellia Sinensis Leaf Extract, Propanediol, Arginine, Lactic Acid, Glycine Soja (Soybean) Germ Extract, Triticum Vulgare (Wheat) Germ Extract, Scutellaria Baicalensis Root Extract, Vibrio Alginolyticus Ferment Filtrate, Panthenol, Sodium Acrylates Copolymer, Lecithin, Menthol, Sodium Citrate, Citric Acid, Ethylhexylglycerin, Caprylyl Glycol, Mentha Piperita (Peppermint) Leaf Oil, Citrus Grandis (Pink Grapefruit) Peel Oil.

Eyelash & Brow Boosting Serum

with Sympeptide XLash

PRODUCT DESCRIPTION

KERACELL® Eyelash & Brow Boosting Serum with SymPeptide® XLash 3D Lash Enhancer and plant stem cell extracts from Bamboo and Wild Ginseng enhances the appearance of eyelash length and thickness and improves eyelash density in as little as two weeks of use. After four weeks, the improvement in length, darkness and volume is up to 66%! Super fruit extracts, anti-oxidants, Panthenol (Pro-Vitamin B5) and Malachite Extract help to stimulate new hair growth and protect against hair loss. This is a prostaglandin free formula and will not cause iris or eyelid darkening.

DIRECTIONS

Before applying KeraCell® Eyelash & Brow Boosting Serum, remove eye makeup and contact lenses, if worn. Apply product directly to both upper and lower lash lines and eyebrows. Let the serum completely absorb before applying makeup. For best results, use twice daily.

Caution: Discontinue use if irritation occurs. If irritation persists, consult with your physician.

INGREDIENTS

Deionized Water, Myristoyl Pentapeptide-17, Glycerin, Phyllostachys pubescens (Bamboo) Sprouts Stem Cell Culture Extract, Panax Ginseng (Wild Mountain Ginseng) Stem Cell Culture Extract, Lycium barbarum (Gogi) Berry Extract, Mangostana garcinia (Mangosteen) Fruit Extract, Euterpe oleracea (Acai) Berry Extract, Morinda citrifolia (Noni) Fruit Extract, Hydroxyethylcellulose, Panthenol (Pro-Vitamin B5), Malachite Extract, Phenoxyethanol, Ethylhexylglycerin.

Facial Hair Inhibiting Serum

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Facial Hair Inhibiting Serum contains Pilisoft™ which is an extract derived from the leaves of *Gymnema Sylvestre* and rich in gymnemic acids, successfully prolonging and enhancing the effects of hair removal treatments. Its innovative mechanism of action is based on the important role gymnemic acids play in the inhibition process of hair follicle activity. Tests have demonstrated its ability to reduce keratinocyte proliferation and impair the mitotic activity of hair follicles. Its efficacy on both slowing hair growth and reducing hair density has been confirmed by a clinical study with significant results obtained over a one-month period. It also contains Depil Enzyme™, a keratin specific enzyme derived from a fermentation process that helps to “digest” newly formed keratin protein into peptides, which are then easily rinsed off when you wash your face.

Enzyme Activated

DIRECTIONS

Apply two to three pumps to freshly cleansed skin. Allow to dry before using other serums, lotions and creams.

INGREDIENTS

Deionized Water, Hamamelis Virginiana (WitchHazel) Bark/ Leaf/ Twig Extract, Tremella Fuciformis Sporocarp Extract (and) Betaine, Subtilisin (Enzyme), Propanediol (corn sugar derived), Pentylene Glycol (and) *Gymnema Sylvestre* Leaf Extract, Glycerin (vegetable derived), Dimethicone, Salix Alba (Willow) Bark Extract, Panthenol (Pro-Vitamin B5), Sodium Acrylates Copolymer, Lecithin, Ethylhexylglycerin, Caprylyl Glycol, Fragrance.

Body Hair Minimizing Lotion

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Body Hair Minimizing Lotion contains Pilisoft™ which is an extract derived from the leaves of *Gymnema Sylvestre* and rich in gymnemic acids, successfully prolonging and enhancing the effects of hair removal treatments. Its innovative mechanism of action is based on the important role gymnemic acids play in the inhibition process of hair follicle activity. Tests have demonstrated its ability to reduce keratinocyte proliferation and impair the mitotic activity of hair follicles. Its efficacy on both slowing hair growth and reducing hair density has been confirmed by a clinical study with significant results obtained over a one-month period. It also contains Depil Enzyme™, a keratin specific enzyme derived from a fermentation process that helps to “digest” newly formed keratin protein into peptides, which are then easily rinsed off when you shower.

Enzyme Activated

DIRECTIONS

Apply to freshly cleansed skin for optimal performance. Massage onto areas of the body where you want to minimize hair re-growth. May be used after waxing or shaving including on intimate areas. Use daily for best results.

Caution: If you have sensitive skin, test product on a small area first if you are using it immediately after shaving or waxing.

INGREDIENTS

Deionized Water, Helianthus Annuus (Sunflower) Seed Oil, Sodium Acrylate/Sodium Acryloyl Dimethyl Taurate Copolymer (and) Cetyl Alcohol (and) Glyceryl Stearate (and) Capric/Caprylic Triglycerides, Subtilisin (Enzyme), Hydrolyzed Rice Protein (and) Water (and) Prunus Amygdalus (Sweet Almond) Seed Extract, Pentylene Glycol (and) *Gymnema Sylvestre* Leaf Extract, Hamamelis virginiana (Witch Hazel) Bark/Leaf/Twig Extract, Salix alba (Willowbark) Extract, Cyclopentasiloxane, Dimethicone, Glycerin, Propanediol, Polysorbate 20, Olea Europea (Olive) Seed Oil, Vitis Vinifera (Grape) Seed Oil, Butylene Glycol (and) Vibrio Alginolyticus Ferment Filtrate, Human Stem Cell Conditioned Media, Ethylhexylglycerin (and) Caprylyl Glycol, Xanthan Gum, Natural Fragrance.

Firming & Sculpting Body Lotion

MULTIPLE HUMAN CELL Stem Cell Technology

PRODUCT DESCRIPTION

KERACELL® Firming & Sculpting Body Lotion is a luxury performance human stem cell-based formula that includes growth factors, 5 active anti-cellulite cosmetic ingredients for firming, smoothing and sculpting. Light weight and non-greasy, this cooling and refreshing formula is scented with peppermint essential oil to help firm, sculpt and improve the appearance of cellulite, and crepey skin for a more healthy youthful glow from head to toe.

DIRECTIONS

Massage lotion into skin using circular motions with firm pressure until completely absorbed. Concentrate massage on problem areas of cellulite and "orange peel," flabby or slack skin. You will experience temporary redness in the areas of application for 30 minutes to 1 hour. Suggested areas of use include stomach, arms, derrière, and thighs.

INGREDIENTS

Deionized Water, Human Stem Cell Conditioned Media, Helianthus Annuus (Sunflower) Seed Oil, Sodium Acrylate/Sodium Acryloyl Dimethyl Taurate Copolymer (and) Cetyl Alcohol (and) Glyceryl Stearate (and) Capric/Caprylic Triglycerides, Hydrolyzed Cucurbita (Pepo) Pumpkin Seedcake (Elastonyl EL), Hydrolyzed Rice Protein (and) Water (and) Prunus Amygdalus (Sweet Almond) Seed Extract (IntegriActive Firmlift), Water (and) Butylene Glycol (and) Silybum Marianum (Milk Thistle) Extract (Stemsvelt), Cyclopentasiloxane, Dimethicone, Glycerin, Propanediol, Polysorbate 20, Capric/Caprylic Triglycerides (and) Papaver Rhoeas (Poppy) Seed Extract (and) Tocopherol (RonaCare Poppy) PEG-8/Caprylic Capric Glycerides (and) Aqua (and) Polyglyceryl-3 Dioleate (and) Butylene Glycol (and) Isostearyl Isostearate (and) Ethoxydiglycol (and) Tris (Hydroxymethyl)aminomethane (and) Calcium Chloride (and) r-Clostridium Histolyticum Collagenase (and) Methyl Nicotinate (Renovenzyme PB), Olea Europea (Olive) Seed Oil, Vitis Vinifera (Grape) Seed Oil, Butylene Glycol (and) Vibrio Alginolyticus Ferment Filtrate (Exo-T), Ethylhexylglycerin, Benzyl Nicotinate, Mentha piperita (Peppermint) Leaf Oil, Menthol, Xanthan Gum.
